

**Remarks****Status of Claims**

Claims 1, 3, 6, 9, 10, 12-25, and 89-101 are now pending. Of the claims, 1, 9, 10, 12-25, and 89-101 have been indicated as allowable. Claims 3 and 6 stand rejected on the merits.

**Claims 3 and 6**

Claims 3 and 6 stand rejected as being anticipated by McWhorter. Additionally, claim 6 stands rejected as being anticipated by McEwen.

Without opining as to the merits of the rejections, claims 3 and 6 have both been amended to require that "at least two of the bladders have different lengths, but have approximately the same volume." Essentially, this limitation is the limitation from allowed claim 89. As such, claims 3 and 6 should now be allowable over the cited art.

For the foregoing reasons, the applicant respectfully requests a notice of allowance be issued in the case.

Respectfully submitted,
